To Whom It May Concern

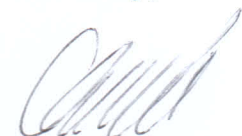

This letter is my personal recommendation for Brian Ellis. Brian was employed by Eyeball Networks for over 8 years. I found him to be consistently pleasant, tackling all assignments with dedication and a smile.

Brian wore many hats during his time at Eyeball. As a Marketing Manager he successfully implemented several marketing plans that resulted in increased lead generation and revenue. As an Internet Product and Service Manager he tested, delivered our software and provided support to sales and our biggest customers.

Brian has an excellent work ethic. In addition, he is extremely organized, reliable with excellent IT skills. Brian can work independently and is able to follow through to ensure that the job gets done. He is flexible and willing to work on any project that is assigned to him.

I highly recommend Brian for employment. He is a team player and would make a great asset to any organization.

Sincerely,

Chris Piche,
CEO
Eyeball Networks Inc.
